Has the Overnight Parking area been allowed to expand? I thought that it was restricted to streets over near Arbor Vitae.

I'll see if I can get the crews out there to spot clean. Did you submit via 311? And if so, can you please forward me the ticket numbers so i can follow up with LASAN?

In the meantime, I'll make sure this street gets on our next major clean up of the area which will more than likely happen late september / early october.
